Train the Trainer – Level 1 – Modules
*By Application Only

This program is designed to give you with the skills, tools, and knowledge necessary to effectively teach the material in our Pediatric Certificate Program. To be part of the program each participant will have passed the certification exam (if you are accepted in the program and have not passed your certification exam you will be required to do so before the end of the program to receive your certification) and be willing to follow the basic tenets and protocols of the course (as outlined the Train the Trainer information document).

Program Duration: 6 months, starting date Jan. 22, 2024. Application Deadline Jan. 15th.

Program Objectives:

- This program will address a variety of teaching styles.
- Will make sure that you have a solid knowledge of the program materials.
- Support you in presenting and creating presentations in an effective, professional, and efficient manner, at the same time fostering your individual style and strengths.

Program Outline:

Module 1: Introduction to Training Program

- The role of a teacher
- Setting teaching objectives and expectations

Module 2: Designing Effective Training Programs

- Training planning
- Curriculum design and content development

Module 3: Honing Your Communication and Presentation Skills

- Create your own Powerpoint presentation on a section of the material that you feel comfortable teaching.
    - Get feedback from us as well as your peers.

Module 4: Honing Your Communication and Presentation Skills

- Fine tuning your presentation, content, and presentation style

Module 5: Dealing with Unexpected Challenges

- Creating a larger threshold to adapt to unknowns, know your material and be prepared to answer all questions and concerns about your presentation.

Module 6: Reflection Where Do We Go from Here?

- Developing a teaching persona.

Cost of Program: one-time fee of $795 or 3 payments of $295
